similar requirement on Business Associates. “Unsecured PHI” refers to PHI that is not secured through the use of technologies or methodologies that render the PHI unusable, unreadable, or indecipherable to unauthorized individuals.

Restriction of Disclosure: The HITECH Act restricts us from refusing an individual’s request not to use or disclose the individual’s PHI in instances where the patient’s services were paid out of pocket to prevent the information from flowing to the health plan since no claim is being made against the third party payer.

Access to Electronic Health Records (EHRs): The HITECH Act expands the right of records access. Individuals have the right to access their EHR in an electronic format and to direct us to send the e-record directly to a third party. We may only charge for the labor costs to transfer this information.

Expansion of Accounting of Disclosures: The HITECH Act removed the accounting of disclosures exception of PHI to carry out treatment, payment and healthcare operations. All such disclosures must be accounted for if the disclosure is made through an EHR. We also will provide the individual with a list and contact information for all relevant business associates to obtain an accounting of disclosures of PHI.

Prohibition on Sale of PHI: The HITECH Act prohibits covered entities and business associates from receiving indirect or direct remuneration in exchange for PHI without obtain an authorization from the individual unless such an exchange meets one of the exceptions listed by the government.

Newton Corner Dental Care’s Responsibilities
